Good morning ADA Carvalho. I received a summons from you today for Commonwealth v. [REDACTED] on June 16th. I just wanted to let you know that the primary chemist on the case, Kate Corbett, is out on [REDACTED] and will not be returning until late August at the earliest. I don't know if you think you'll need us to testify but I just wanted to give you the heads up. Please let me know if you have any questions. Thanks.
